

PRODUCT BULLETIN

Wrabacon, Inc. designs and manufactures a wide variety of quality and innovative custom product handling systems. These include Product Feeders, Pick and Place Systems, Product Merging, Product Dividers, Product Stackers and Destackers, Semi-Automatic Case Erectors, Product Accumulators, Container Handling, Tray Stackers, and Conveyors.

TWIN MAGAZINE TRAY DENESTER WITH ADJUSTABLE MAGAZINE

Wrabacon's twin magazine tray denester is designed for easy change over for different size trays. System is designed to be added to an existing packaging line. Rates vary depending on size and weight of trays. Typical rates are in the range of 17-20 trays per magazine. As with all Wrabacon equipment these tray denesters can be manufactured in stainless steel or mild steel.
